Join TARTA in Celebration of Ohio Loves Transit

From February 7-14, 2021, TARTA and Ohio's other 67 public transit agencies and their partners will participate in Ohio Loves Transit – a statewide initiative highlighting how independent mobility is the strong economic engine of Ohio's communities.

Hosted annually by the **Ohio Public Transit Association** (OPTA), Ohio Loves Transit provides an opportunity for the Toledo Region to showcase how public transit is necessary for our economy and enhances mobility for all – especially through access to jobs and by keeping our community moving during the COVID-19 pandemic.
