CALL FOR PRESENTATION PROPOSALS

OPTA represents nearly 70 transit agencies across the state of Ohio, as well as mobility managers and companies in the transit related space. Our members make up a vibrant and ever-changing transit landscape, while providing valuable economic and workforce development benefits to the state. The annual conference draws over 400 individual attendees including transit CEO's, policy makers, and influential decision makers in the public transit space in Ohio.

If you would like to be a presenter at the 2023 conference in Columbus, OH, please send a one-page brief synopsis of what your presentation will entail, including speaker name, organization and any other information that may be relevant. Please indicate the length of your presentation. *We typically have classes scheduled from 45 - 90 minutes. We do not need to see your presentation slides.*

Past educational tracks at the conference have included communications and PR workshops, seminars on the newest technology and innovations in the transit space, leadership and HR training, and mental health in the workspace. OPTA is open to a wide variety of topics and we encourage you to submit your proposal, even if it doesn't fit the tracks we have previously featured.

The OPTA Conference Committee will evaluate all proposals and make a decision in early summer. The submission deadline is June 2, 2023.
