CALL FOR PRESENTATION PROPOSALS

OPTA represents nearly 70 transit agencies across the state of Ohio, as well as mobility managers and companies in the transit related space. Our members make up a vibrant and ever-changing transit landscape, while providing valuable economic and workforce development benefits to the state. The annual conference draws over 400 individual attendees including transit CEO's, policy makers, and influential decision makers in the public transit space in Ohio.

If you would like to be a presenter at the 2024 conference in Columbus, OH, please send a one-page brief synopsis of what your presentation will entail, including speaker name, organization and any other information that may be relevant. Please indicate the length of your presentation. We have classes scheduled from 45 - 60 minutes. *We do not need to see your presentation slides but you may include them.*

OPTA is open to a wide variety of topics and we encourage you to submit your proposal, even if it may seem non-traditional. We are looking for presentations around transit trends/new technologies, leadership and team building and topics specifically targeted at urban, small-urban or rural transit systems.

The OPTA Conference Committee will evaluate all proposals and make a decision in early summer. The submission deadline is June 7, 2024.
