

OHIO **NEEDS** TRANSIT

OHIO NEEDS TRANSIT CONFERENCE SCHOLARSHIP PROGRAM 2021

**Presented by
The Ohio Department of Transportation – ODOT
Office of Transit**

[APPLY NOW!](#)

The ODOT Office of Transit supports the professional development and education of its transit sub-recipients through the scholarship program, in addition to the Transit Training Opportunities program.

Funded through Ohio's RTAP allocation, a sub-recipient transit agency can apply for funding to help offset the financial costs for staff to attend a conference or other training opportunity not available through the Transit Training Opportunities program.

This scholarship program is open to all of ODOT's Section 5310 and 5311 sub-recipient transit agencies. Eligible costs the scholarship can help cover include, but are not limited to: registration, airfare, lodging, and ground transportation.

Scholarship applications are reviewed and awarded on a competitive basis. The scholarship application form can be found under **[Scholarship Application Form.](#)**
