Mark your calendar: Ohio's COVID-19 Vaccine Town Halls begin Feb. 22

As Ohio continues to roll out the COVID-19 vaccine, sharing accurate, reliable information with at-risk communities to help reduce vaccine hesitancy remains a high priority.

As a result, the Ohio Department of Health and the Ohio Department of Mental Health and Addiction Services have put together a series of COVID-19 vaccine virtual town halls with medical experts, community leaders, and public health professionals to address common concerns and questions from specific communities.

Ohio's COVID-19 Vaccine Town Halls are designed to help you sift through the myths and learn where you can find reliable, trustworthy information about COVID-19 vaccines.
