

## Ohio Mobility Management Program

The [Ohio Mobility Management Program](#) increases access to mobility for Ohioans by increasing understanding and awareness of transportation needs, coordinating of transportation options to meet these needs and building sustainable, healthy communities by integrating transportation into planning and programs for many of the 88 counties of Ohio.

### [Ohio Mobility Management Brochure](#)

#### **Program Goals:**

- Increase understanding and awareness of community transportation needs
- Increase awareness of current community transportation options and programs
- Ensure that transportation considerations are included in local and regional planning activities
- Increase local capacity for transportation services
- Assist individuals with accessing all community transportation options

#### **Funding Source:**

Mobility management activities are eligible for funding through the Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310) Program.

#### **Program Details:**

All projects must be derived from a [coordinated transportation plan](#) and be competitively selected.

More program details are available in the [Mobility Management Program Guide](#).
