FTA today announced the availability of up to \$180 million in competitive grant funds through a [Notice of Funding Opportunity \(NOFO\)](#) for FTA's [Low or No Emission \(Low-No\) Grant Program](#). The Low-No Program helps eligible project sponsors purchase or lease low- or no-emission vehicles and supporting facilities that use advanced technologies to provide cleaner, more energy efficient transit operations in communities across the country.

FTA's Low-No Program and NOFO will advance the goals of the President's January 20, 2021 [Executive Order](#) on Protecting Public Health and the Environment and Restoring Science to Tackle the Climate Crisis.

Instructions for applying can be found on FTA's [NOFO page](#) and in [GRANTS.GOV](#) (funding opportunity FTA-2021-001-LowNo). Complete proposals must be submitted electronically through the GRANTS.GOV "APPLY" function by April 12, 2021.
